Dear Business Leader:

The excitement is starting to build as we are getting ready for the 2022 edition of the Red River Valley Fair scheduled for September 28 - October 1. This year marks the 111th year for the Fair Association founded in 1911. The Red River Valley Fair Association would like to invite you and/or your company to be a part of this great event by being a sponsor. Over the last three years attendance has averaged more than 20,000 people for the fair. Attached you will find information in regard to sponsorships.

The 2022 Fair will look a little more “normal” this year, but we are all still dealing with COVID-19 concerns and guidelines. We are going to be doing everything possible to keep our visitors, volunteers, and workers safe and healthy.

The Fair Association is responsible for the Paris/Lamar County Fairgrounds. We maintain all of the grounds along with four buildings, three livestock barns, restrooms, and three covered pavilions. We rent the buildings and grounds for family reunions, birthday parties, meetings for various organizations. We work hard to provide good facilities for the use of the community as well as providing good family events for the community.

Sponsorships not only underwrite the fair but also help to make facilities available throughout the year for youth/senior citizen’s organizations, schools and other nonprofit groups. The Red River Valley Fair Association is a totally self-funded 501C3 nonprofit corporation.

Please call if you have any questions or ideas about how your business or organization can be a part of the 2022 Red River Valley Fair. We will work with you as a Patron Sponsor if you want to exchange services or products for a Fair sponsorship package. We can be contacted Monday through Friday between 9:00 a.m. and 2:00 p.m. at the fairgrounds or call 903-785-7971. To assure your business/ organization receives maximum exposure in our printed material we need to hear from you by August 1, 2022.

Sincerely,

Red River Valley Fair Association Board President
